Training  
for the 3rd sector

# cuppa tea group social enterprise Master Class

## Communication for today's world Building a business for tomorrow

John Thompson and Steve O'Brien

### Introduction

Today's business world is changing fast. Those who are serious about making a difference must be aware of what is going on now.

Cuppa Tea Group (CTG) is a new social enterprise specifically aimed at sharing learning and development strategies to grow the 3rd sector.

CTG is a results driven forward thinking company passionate about helping communities.

This master class was stimulated by a Charity who are creating teams to work together for a year.

Understanding behavior of yourself and others can be a powerful way to predict the future.

Business protocols are essential to sustainable growth empowering teams
